Special Events

Woodstock on Cello Concert 6 PM Thursday August 13th

In 1969, New York's Hudson Valley was transformed when cultures and counter-cultures came together to bring us Woodstock: Three Days of Peace, Love, and Music. Cellist Alex Prizgintas shares some of the days' greatest hits as well as hits from bands that performed there on his electric cello while also offering background on the region's rich history. The unique sound of Alex Prizgintas and his amplified cello will play music from Joan Baez to Janice Joplin to Jefferson Airplane. For anyone with an appreciation for Sullivan County's musical heritage, this is a concert not to miss! Registration required at the Front Desk or on our online calendar.

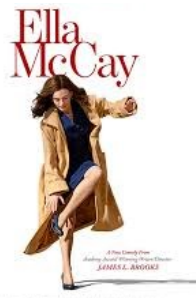

Senior Coffee Club with Assembly Member Paula Kay 10:30 AM Monday August 3rd

Assembly member Paula Kay (District 100) will join the local community providing updates on key legislative issues, community initiatives, and state programs affecting seniors and local residents. A Q&A to follow.
