Notes from the Library

We had a fantastic and very busy summer at the Library! Our Summer Reading Program was a great success, thanks in part to our amazing Summer Student, Julia. A big thank you to Julia for all her hard work!

We're now excited for our fall programming, with two brand new programs launching this September!

For ages 13+, Maker Thursdays will take place Thursday evenings starting September 10th at 5:00 p.m. We'll transform our meeting space into a Maker Space where participants can explore new skills, technologies, and creative projects—all while making something by hand. Come learn, experiment, and create!

We're also excited to present Township Humanities 101, a free lecture series featuring professors from Trent University, in partnership with the Douro-Dummer and Asphodel-Norwood Public Libraries. Experience university-level learning and explore fascinating topics right in your community! The first lecture is September 17 at 7:00 p.m. at the Douro-Dummer Public Library, followed by October 15 in Westwood and November 12 in Buckhorn.

We're pleased to welcome two new members to our Library team! Jenn is joining us as our new Library Assistant, and Sam is our new Saturday Volunteer. When you see them at the Library, be sure to say hello and help us welcome them to our community!

We look forward to seeing you this fall!
