

Why Register for Programming?

Filling out a Registration Form allows your child to attend any of our After School Programs. It's intended to provide contact information to library staff, photo consent, and any relevant health information. **Please note** that children 5 and under must be accompanied by an adult or caregiver.

Where to Register?

Registration forms are free and available at the circulation desk and for print on our website. Forms must be filled out and returned before the first club attended by a child. Forms can be returned (by parent or child) to Madison during the club or the Circulation Desk during operational hours.
