

Meet the AUTHOR

*Kiara Kiddle
at the Wawa Public Library on
Thursday, October 22, 2026!*

Kiara is an avid reader and lifelong storyteller who has been crafting poems and short stories since the age of ten. Writing, for her, has always been a way to escape, a passion she shares with her late uncle, whose unwavering belief in her work inspired her to finally finish her debut novel. Every book she writes is for him.

*Kiara will be available for a book signing and will tell us
about herself and the process of writing her book!
