for your favorite
kind of fright.

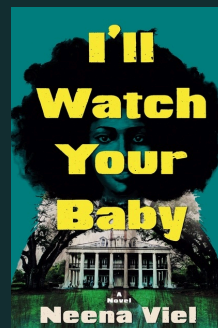

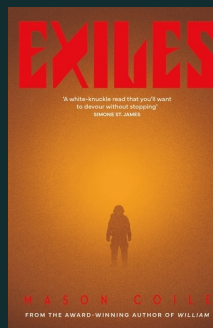

Small Town Horror

In these chilling books, quiet communities hide dark secrets, strange traditions, and danger beneath the surface.

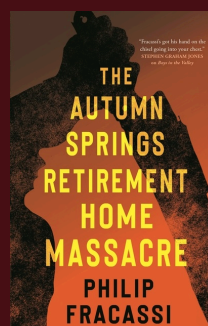

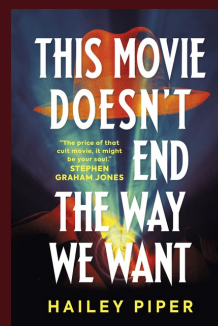

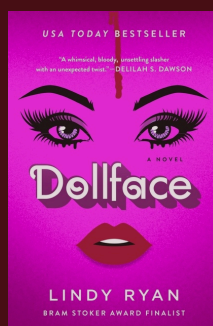

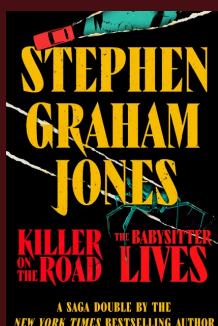

Trapped!

Danger closes in as characters in these gripping stories find themselves stuck in terrifying situations with no easy way out.

Final Girls

Suspenseful and intense, these books follow resourceful survivors facing killers, past trauma, and a fight to stay alive.

Haunted Houses & Creepy Places

These eerie books explore haunted homes, abandoned buildings, and places where something feels deeply wrong.
