**Join us for a walking tour of Belmont State Park.
Established in 1926, it was owned by August Belmont and

The park might be known for the scenic lake and abundance of recreational activities,
but there is so much more to see and enjoy in this 463-acre park.**

**The tour fee is courtesy of the Library. We meet at the park.
The parking fee is \$8, or free for those 62 and older with ID.
North Babylon adult cardholders only. Registration is required.**
