

Our Library Ghost Has a **Boo-k** Problem!

This little Guy has been caught reading between the shelves, and getting lost in a good book. We told him to get a life...but apparently, he's already dead!

If you find a ghost enjoying a book turn that **little boo-ger** in at the front desk. Your name will be entered in a drawing for a Halloween basket give away on October 30th at 5:00pm. Ghost search is open for all ages.
